What can you tell me about the two documents have knowledge on ?

Based on the provided context, here's what I can tell you about the two documents:

1. Admin Info.docx:

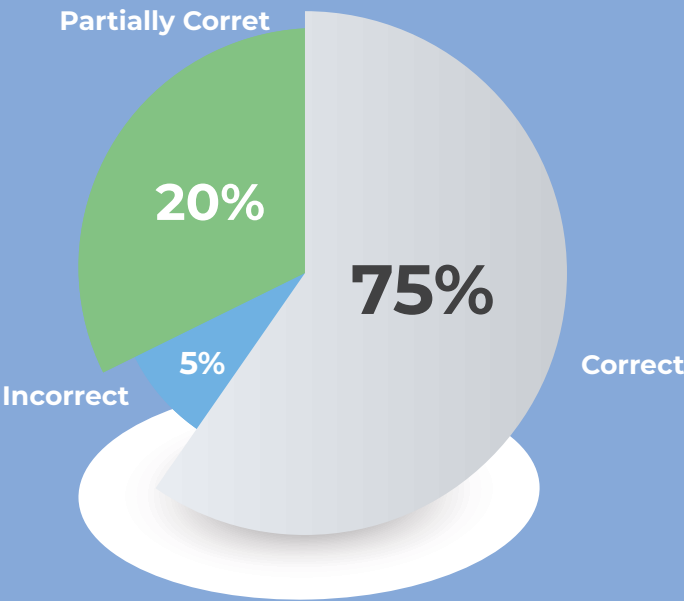

- Provides essential information for students in the Faculty of Computing Science.
- Covers:
  - Registration details.
  - Moodle access.
  - Exam procedures, including how and when to access exam results.
  - Guidelines for contacting the faculty or lecturers.
  - Process for letter requests, including the timeframe for completion.
  - Information on password resets.
  - Safety and security guidelines for the Dublin campus, including security contact numbers, means of escape, and property and equipment usage
- Does not provide specifics on the manner in which assessments are conducted (beyond the fact that there are repeat information emails for re-sits) or the appeals process.

2. Griffith College Student Handbook 2024-25:

- Provides comprehensive details on:
  - Grounds for appeals, including mitigating circumstances and breaches of natural justice.
  - Campus facilities, academic regulations, and administrative processes.
  - Academic regulations including appeal and reassessment procedures and breeches of natural justice.
